Trash Cafe

[ORDER A FOOD HAMPER](#)

Have you ever tried a pay as you feel cafe? Give us a try as EVERYONE is welcome.

Pay as you feel cafes and shopping boutiques. We are about saving good food from going to waste. You can come along and shop or eat and you decide the value of the food by paying in time, cash, skills or item donations.

All of our Cafes are pay as you feel. You can pay in time, cash, skills or item donations, to the value you feel your food and service is worth. The only thing we charge for are drinks other than the water in the jugs on the tables. At all our cafes we also have shopping boutiques, these are shops made up of surplus produce. The shopping boutique is also pay as you.

You can collect hampers from all of our cafes.

Everyone is welcome to the cafes; it is open to the public. You don't have to fit into a category to eat with us.
