

## **GOVERNORS NEWSLETTER**

Monday 13<sup>th</sup> July 2020

Dear Parent/Carers, Children and Staff,

What very strange times it has been and still is for our school! All the Home Learning that parents/carers will have been doing with their children. It is difficult trying to be a teacher with no teacher training, especially as the weather has got warmer. Governors would like to thank the parent/carers who have worked with the school to allow their children to continue with their learning.

I would like to assure you that governors have been continually working with Ms Toner and other senior leaders to ensure the wellbeing of your children and staff, and to make certain that the safety of children in school and those working from home is still paramount.

We have not been in the school, so all our meetings have been done via virtual video platforms. I have to say, we have had some amusing and frustrating incidents learning to use these types of platforms. A fast learning curve for some of us!

Governors cannot praise **all** our school staff highly enough for all their amazing, flexible, caring and hard work over this really tricky time. Thank you.

For some of our staff who are moving on to other adventures, we wish you well in your new endeavours.

We say good-bye to our Year 6 children and hope you have enjoyed your time with us at Lee-on-the-Solent Junior School. We wish you well in your new school where you will continue your journey of "Sailing into the Future".

On behalf of all governors have a safe and fun summer and we look forward to the start of a new school year in September, whatever that brings!

Best Wishes
